

«Формирование ключевых компетенций учащихся через социально-значимую проектную деятельность»

-
- A central illustration of a young man with black hair and purple-rimmed glasses, wearing a red shirt and blue pants, sitting cross-legged and reading a large open book. He is surrounded by a variety of green-tinted educational icons. To his left are a Bohr-style atomic model, a test tube with purple liquid, a green airplane, a globe, a computer monitor, a planet with a ring, and a flask with green liquid. Above him is a speech bubble containing a graduation cap. To his right are a 3D coordinate system, a calculator, a laptop displaying binary code (11010100, 11000101), a Union Jack flag, a satellite, a molecular structure, a magnifying glass over a webpage icon, and a chemical structure. The entire scene is set against a white background with a faint, light blue grid pattern.
